Signing up for RP&G electricity service is not required and does not increase your chances of winning. Sweepstakes is open to eligible residential customers through automatic entry or by alternate method. An alternate method of entry is available.

#### **1. Eligibility**

- a. Open to new residential customers of Massachusetts National Grid, Massachusetts Eversource NSTAR, Ohio Duke Energy, Washington DC Potomac Electric Power Company (PEPCO), and Pennsylvania Power and Light (“Service Territories”) who enroll in a fixed-rate electricity plan with a minimum 6-month term through the Renaissance Power & Gas (“RP&G”) website starting on the effective date above.
- b. Enrollment must be completed through the RP&G website by a person authorized to switch the account, and accepted by the utility.
- c. Account enrolled must be classified by the utility as a “residential account”.
- d. Service must remain active and uninterrupted for at least one (1) month after enrollment to qualify for inclusion in any drawing. To remain eligible for a prize, the customer must maintain active service through at least six (6) months of the contract term.
- e. Entrants must be legal residents of Massachusetts, Pennsylvania, or Ohio, and at least 18 years old at the time of entry.
- f. No purchase or enrollment necessary to enter or win. Eligibility may also be obtained via the Alternate Method of Entry described in the “How to Enter” section. Both entry methods are treated equally for prize eligibility.

#### **2. How to Enter**

- a. Customer Enrollment Method (“Customer Enrollment”)  
Eligible customers who enroll in RP&G electricity service as described above will be automatically entered into the promotion upon successful enrollment, defined as enrollment that has been accepted by the utility. Entry is subject to a threshold of 500 accepted enrollments across all Service Territories combined. The Sweepstakes may be canceled, extended or modified if this threshold is not met.
- b. Alternative Method of Entry (“AMOE”), eligible to residential customers in the Service Territories defined above.
  - (1) To enter without enrolling in RP&G service, mail a 3”x5” card with your full name, mailing address, phone number, and email address to:  
Renaissance Power & Gas, Inc.  
Attention: Sweepstakes AMOE  
5795 Sandhill Rd Suite E,  
Las Vegas, Nevada 89120, United States
  - (2) Each card must be individually mailed and postmarked. Limit one (1) mail-in entry per household.
  - (3) Mail-in entries are treated equally to service-based entries and are eligible for the same number of prize drawings.
  - (4) Multiple AMOE entries from the same household or duplicate referrals will be void.
  - (5) Mail-in entries must be postmarked by November 30, 2025 and received by December 7, 2025 to be eligible.

#### **3. Drawing Requirements**

- a. No drawings will occur until 500 accepted enrollments are received across all Service Territories combined.
- b. The first drawing is tentatively scheduled for August 22, 2025, contingent upon reaching the 500 accepted enrollments threshold.
- c. Weekly drawings will be held thereafter, awarding one (1) \$1,000 cash prize per week across all Service Territories combined.
- d. A single \$5,000 grand prize drawing will be conducted at the end of the calendar year.

#### **4. Prize Redemption**

- a. To receive a prize, a participant must:
  - (1) Have an active, accepted RP&G account at the time of both drawing and redemption (or valid AMOE participation);
  - (2) Maintain eligibility through an uninterrupted contract period to qualify for the \$5,000 grand prize.
- b. Prizes may only be claimed after the Customer Enrollment has been active with RP&G for at least six (6) months, or for AMOE participants, after the final drawing date. Winners will be notified upon selection, but prize disbursement will occur only after the 6-month eligibility period is met.
- c. Winners will be notified via email only.
- d. Prizes must be claimed within 90 days of meeting the eligibility requirements outlined in Section 4b. If a winner does not claim the prize within that period, the prize will be forfeited.
- e. Drawings will be conducted randomly under the supervision of a third-party administrator.

#### **5. Referrals**

- a. Customers who enroll through the website may receive additional entries by referring other residential customers to RP&G. Each successful referral — defined as an enrollment accepted by the utility — earns the referrer one (1) additional sweepstakes entry.
- b. To qualify, the referred customer must enter the referrer's billing account name in the referral field during enrollment.
- c. Referrals submitted after enrollment (via phone, email, etc.) will not be honored.

#### **6. Odds of Winning**

The odds of winning a weekly or grand prize depend on the total number of eligible entries received during the applicable entry period and include: Customer Enrollments, referrals, and AMOE entries. Odds improve with successful referrals.

#### **7. Taxes and Forms**

All federal, state, and local taxes associated with prize acceptance are the responsibility of the winner.

Winners receiving prizes valued at \$600 or more must complete IRS Form W-9 and will receive a Form 1099-MISC for tax reporting purposes.

- g. **Dispute Resolution** – Any dispute, claim, or controversy arising out of or related to this Sweepstakes or these Terms and Conditions shall be resolved exclusively through binding arbitration administered by the American Arbitration Association (“AAA”) under its Consumer Arbitration Rules in accordance with the Choice of Law provision above. Arbitration shall be conducted by a single, neutral arbitrator and may take place virtually (e.g., via video conference), unless the parties agree otherwise. Participants expressly waive any right to bring or participate in a class, collective, consolidated, or representative action against RP&G, whether in arbitration or otherwise. The arbitrator shall not have authority to hear or arbitrate any class or representative claims. If a court or arbitrator determines that this class action waiver is unenforceable as to any claim, then that claim shall proceed in court, and all other claims not subject to court jurisdiction shall remain subject to binding individual arbitration
